ISSUE 112

FEBRUARY 1978

Being asked to introduce oneself on paper at the commencement of a year of service as Chairman, I find no easy matter. However, here I go, trying hard to make sense.

I was given as a Christmas present a sort of prayer book, written by David Kossoff. With the thoughts of the following verses, I would like to set the scene.

"You have a minute, Lord?"

Involvement, Lord. A person needs help on this one.
A person doesn't like to get involved.
The screaming quarrel (with bumps and crockery noise) through the party wall
The shouts and door slam in the flat above.
A person doesn't like to get involved.
Drunken curses and a baby crying
Two gardens away; the sudden frightened
Scream of a girl from a dark field.
"Best not get involved."

"Best not get involved"

Some of the happiest people I know, Lord
Are those who don't mind getting involved.
Admitted, it can go wrong, it
Can blow up in your face, you can get
Too involved (there I go again; classic "one talk!"
But happy they are, Lord, without doubt.
That Samaritan story is not there by accident;
You were making a point.
I would be of their number, please.

These facts are important to me as a Community

Development Worker, and Assistant Director of Cambridge Y.M.C.A. Everyday people are my work and involvement. For a Community to knit together, care, love, concern and sensitivity toward one another are vitally important.

I am asking you to pull together behind your new Committee this coming year. We in return will try to act responsibly on your behalf, to carry out your wishes, and build together a worthwhile spirit in all areas of community life.

Finally, I would like to thank all those who have worked so hard over the past year, names too many to mention, whose contributions have laid us a platform that we are so grateful for.

"Tenders are invited to construct a glazed timber screen for an open covered way in the Infants Department of Bar Hill C.P. School. The Bar Hill Parent Teacher Association reserve the right to select any name from this list. Application forms and further details are available from the School."

Mary Giddings.

BAR HILL PARISH COUNCIL NOTES

Before giving a precis of the main points of the monthly meeting held on 17th January 1978, I would like to personally record my thanks to the public-spirited gentleman who phoned me about the damaged water pipe in the Green Hut on Saturday afternoon, January 21st. Thank you, Sir, your thoughtful action has prevented the hut sustaining really serious damage.

The full text of the meeting will appear on the Notice Board in about 14 days time.

Wet Areas on the Village Green

This is particularly bad in the area of the childrens swings and slide and the Adventure Playground. Whilst much is due to the inclement weather conditions of recent weeks, there is obviously a long-standing problem with drainage. The very nature of the ground, together with the fact that the mounds of the Adventure Playground have formed a barrier enclosing ground that was already below reasonable natural drainage level, has made this a reservoir for water running down the Village Green from south to north. Nothing can be done until we have drier weather- then it is intended that the whole question is looked into. Past errors must be forgotten and new remedial treatment carried out.

Youth Club Centre

An answer is still awaited from the Education Authorities about the use of the school sewage system. Meantime preparations are being made to start the new maintenance headquarters in the Compound Area.

Chairman's Report

The Chairman, Councillor David Lindsay, reported to the Council about the joint Council/B.H.R.A. meeting with the developers on January 4th. A great deal of useful exchange of views took place. Full report will appear in the Minutes. It was decided to hold these meetings about every two to three months in future.

(cont)

(cont)

The chairman then spoke about the introduction of sub-committees to facilitate the work of the Council. Three working parties are being set up:-

- a) Sale of Freeholds
- b) T.V. aeriels-future policy in Bar Hill
- c) Planning.

a) and b) will report back their recommendations to the Council in March. c) sub-committee will report monthly as from February to the Council and have assumed responsibility immediately for examining and making recommendations on all planning applications and matters from now on.

Treasurer

The matter was thoroughly discussed by the Council and it was unanimously decided that the post would be once again carried out by the Parish Clerk, who would become Clerk/Treasurer.

The present Treasurer would remain in office until the Annual Meeting of the Parish. Between now and then he would hand over to the Clerk, and his last public duty as Treasurer would be to give the Treasurer's Report at the Annual Parish Meeting.

Annual Parish Meeting

This will be held in the Church at 7.30 pm on Wednesday 5th April 1978. As well as the usual items on the agenda, there will be a Guest Speaker, light free refreshments, and panel for a "Question and Answer" session. It is hoped that all representatives of village activities will attend, together with lots of members of the public of Bar Hill. Full details will be circulated to everybody in Bar Hill, so please mark this date in your diaries, and let's have a real feast of questions and discussion.

Any Other Business

1. In future the Clerk would be authorised to hold a Contingency Fund of £50 for day to day requirements of an urgent nature.
2. Typing facilities for the Administration. The question of local assistance would be looked into by the Clerk.
3. Question of an advertising position in the Mall to be examined. The need for better means of bringing Council matters to the public's attention was agreed by all. The Clerk was instructed to look into this.

During the evening our two District Councillors gave much valuable comment and a short report each.

BAR HILL EMERGENCY TEAM

Well, we never moved!

In a way there was a little pang of regret when it was announced that the firemen were going back to work, as after all the hours of practising and drills it would have been gratifying to have seen the fruits of our endeavours. However, all's well that ends well.

I would like to take this opportunity of thanking everyone who volunteered to make up the team-they are, unfortunately or fortunately, too many to mention here.

Our thanks also to the Parish Council for underwriting our expenses, the Cambridgeshire Fire and Rescue Service for their advice and training, and to everyone who loaned equipment for us to use.

For the record:-

We were not called out for anything, not even a cat up a tree (which is just as well as it would probably be safer there than on the ground with Gerry "Fittipaldi" Brunning at the wheel.)

There is no truth in the rumour that during one of our drills an arsonist set fire to my trousers!

About a month ago, Martin Churchill, our Communications Officer and Chief Worrier, was awakened by the phone at 4.30 in the morning, and as he stumbled downstairs yelling for his wife to find his pyjamas and helmet, he was sure his moment of glory had come. Breathless and with a trembling hand, he plucked the telephone from the bucket of dry sand and uttered the phrase he had practised day and night for six weeks; "Hello, 81311!"

It was Tesco's Bakery-they could not get the ovens alight and would he come and give them some advice. Who could refuse?

Emergency Team volunteers' wives will be pleased to note that in accordance with standing orders, husbands who are not on A1 standby will no longer be required to wear plastic macs and welly boots in bed. Still, it was nice while it lasted, wasn't it?

Finally, if there are still sceptics amongst the populace who think I am writing this for the fun of it, and who always need proof that we did not conduct all our training in "The Fox", they will

(cont)

(cont)

be pleased to know that our Candid Cameraman took some discreet photographs of the Team in action one Sunday morning "somewhere in Bar Hill"!

The results of these daredevil exploits can be seen on the village Notice Board in The Mall.

Once again, though, my grateful thanks to all concerned.

Kevin Read-Jones

BAR HILL HORTICULTURAL SOCIETY

Monthly meetings: This month's meeting will be on 8th February, and will be a talk by Mr Gerald Smith dealing with "Growing Vegetables in Bar Hill." Mr Smith owns an allotment in Bar Hill and has first hand experience of the soil conditions in the village.

The programme starts with the library exchange, and the talk starts at 8.00 pm with an interval for coffee and a raffle. All are welcome.

Society Shop. The shop on the allotment site will be open 11.30 to 12.30 Sunday 5th February.

Tip of the Month: It is time to plant out shallots, and the best way to do this is to make a drill, place the shallots 6 inches apart (or E.E.C. 15 cm) and then draw the soil around the bulb. Do not press the bulb into the ground, otherwise the roots will not be able to penetrate the soil and the bulb will lift out of the ground. The roots will be damaged if an attempt is made to press the bulb back into the ground.

RED CROSS CADETS

The new term for Cadets started on 10th January, but it is not too late to go along to the Primary School at 6.30 on Tuesday evenings. All children from nine years old are welcome. A First Aid course started on 17th January, but there are other activities for the younger ones or those who do not wish to take the course. Parents are always welcome to look in to meetings and talk to the Cadet Officer, Mrs King.
